SAN FRANCISCO
CITY IMPACT
CHILD SPONSORSHIP

**One in three
children in
America grow
up without any
positive adult
influences in
their lives.**

City Impact child sponsorship is one of the best ways to invest personally in the life of an inner city child in need. As a City Impact child sponsor, you can empower a child through education and after-school enrichment programs. Children face remarkable obstacles in their development, and there has never been a more important time to make a difference than now.
