

SF CITY ACADEMY VOLUNTEER SCHEDULE

Monday - Friday

9:00 AM - 3:00 PM

230 Jones St. SF, CA, 94102

Are you an artist or crafter?

Do you like sports?

Are you a musician?

Want to share your career?

SFCA is looking for volunteers. Come and help teach electives to expand our students learning experiences. Hands-on learning allows students to learn through experiencing something and immerse themselves in a learning environment.

We value that God created each child to learn differently and we want to provide unique learning opportunities so students can take ownership of their education.

We invite volunteers to share their skills, hobbies or expertise with our students! Email us for more information!

Bethany Giella

SFCA Assistant Administrator
