A young boy with dark hair and a slight smile is the central focus of the image. He is wearing a blue t-shirt. The background is a blurred crowd of people, suggesting an outdoor event or gathering. The overall tone is positive and hopeful.

City Impact child sponsorship is one of the best ways to invest personally in the life of an inner city child in need.

Children face remarkable obstacles in their development, and there has never been a more important time to make a difference than now.
